AIE | Game Jam

10th of July to 11th of July, 9:00am to 5:00pm

AIE Sydney Campus

Attention, game enthusiasts and aspiring developers in Years 10, 11 and 12! A Game Jam is an adrenaline-fueled challenge where you have the opportunity to bring your game development skills to the forefront. It's a chance to collaborate with like-minded peers, learn new techniques, and build a playable game from scratch within a limited time frame. Step into the spotlight and let your imagination soar as you transform your ideas into interactive digital wonders. [Click here for more information.](#)

The Australian Youth Aerospace Forum

10th of July to 14th of July.

The AYAF is a five-day live-in conference which provides students in Grades 10, 11 and 12 the opportunity to investigate careers and pathways in the aerospace industry. It is designed to showcase the various university and industry opportunities available to students upon completion of secondary school. In 2022 we brought all aspects of the aerospace industry to 50+ high school students from around the country, and invite you to be a part of the novel and exciting opportunities for 2023.

Through keynote speeches, panel discussions, facility visits and interactive workshops, delegates gain valuable insights into the challenges of this fascinating field. Hearing from accomplished professionals with backgrounds in engineering, manufacturing, technical and defence roles.

For student applications please visit: <https://forms.gle/wAwcT35eoMynCKPq5>
