

# LOCKER AGREEMENT

Cammeraygal High School allocates student lockers each year. A student will be allocated a locker once the locker fee is paid.

This locker agreement is between parent, student and the school and outlines conditions how students use lockers whilst at Cammeraygal High School:

- I agree to respect my school locker and ensure that it is not damaged in any way.
- I will pay a non-refundable hire fee to the school each year I require a locker.
- I understand I will have to pay for a replacement lock if it is lost or damaged.
- I understand that I will lose access to a locker for the rest of the relevant year if I disrespect my locker or those of other students around me.
